Director Independence

In accordance with the disclosure requirements of the Securities and Exchange Commission (“SEC”), we have adopted the NASDAQ listing standards for independence effective April 2010. Each of our directors, other than Daniel J. O’Connor, is independent in accordance with the definition set forth in the NASDAQ rules. Each nominated member of each of our Board committees is an independent director under the NASDAQ standards applicable to such committees. The Board considered the information included in transactions with related parties as outlined below along with other information the Board considered relevant, when considering the independence of each director.

Audit Committee

The Audit Committee of our Board of Directors is currently composed of three directors, all of whom satisfy the independence and other standards for Audit Committee members under the NASDAQ rules and the Exchange Act of 1934, as amended. For fiscal year 2014, the Audit Committee was composed of Messrs. Berman and Appel and Dr. Patton, with Mr. Berman serving as the Audit Committee’s financial expert as defined under Item 407 of Regulation S-K of the Securities Act of 1933, as amended, which we refer to as the Securities Act.

The Audit Committee operates under a written Audit Committee Charter, which is available to stockholders on our website at <http://ir.advaxis.com/governance-documents>.

Compensation Committee

The Compensation Committee of our Board of Directors consists of Messrs. Berman and Appel, and Dr. Sidransky. The Compensation Committee determines the salaries and incentive compensation of our officers subject to applicable employment agreements, and provides recommendations for the salaries and incentive compensation of our other employees and consultants. For executives other than the Chief Executive Officer, the Compensation Committee receives and considers performance evaluations and compensation recommendations submitted to the Committee by the Chief Executive Officer. In the case of the Chief Executive Officer, the evaluation of his performance is conducted by the Compensation Committee, which determines any adjustments to his compensation as well as awards to be granted. The agenda for meetings of the Compensation Committee is usually determined by its Chairman, with the assistance of the Company’s Chief Executive Officer. Compensation Committee meetings are regularly attended by the Chief Executive Officer.

The Compensation Committee operates under a written Compensation Committee Charter, which is available to stockholders on our website at <http://ir.advaxis.com/governance-documents>.

Nominating and Corporate Governance Committee

For fiscal year 2014, the Nominating and Corporate Governance Committee was composed of Mr. Berman and Dr. Patton.

The Nominating and Corporate Governance Committee operates under a written Nominating and Corporate Governance Committee Charter, which is available to stockholders on our website at <http://ir.advaxis.com/governance-documents>.

The Nominating and Corporate Governance Committee will consider director candidates recommended by eligible stockholders. Stockholders may recommend director nominees for consideration by the Nominating and Corporate Governance Committee by writing to the Nominating and Corporate Governance Committee, Attention: Chairman, Advaxis, Inc., 305 College Road East, Princeton, New Jersey, 08540. Any recommendations for director made to the Nominating and Corporate Governance Committee should include the nominee’s name and qualifications for membership on our Board of Directors, and should include the following information for each person being recommended or nominated for election as a director:

- The name, age, business address and residence address of the person;
- The principal occupation or employment of the person;
- The number of shares of our Common Stock that the person owns beneficially or of record; and
- Any other information relating to the person that must be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Section 14 of the Exchange Act and its rules and regulations.

In addition, the stockholder’s notice must include the following information about such stockholder:

- The stockholder’s name and record address;
- The number of shares of our Common Stock that the stockholder owns beneficially or of record;
- A description of all arrangements or understandings between the stockholder and each proposed nominee and any other person or persons, including their names, pursuant to which the nomination is to be made;
- A representation that the stockholder intends to appear in person or by proxy at the annual meeting to nominate the person or persons named in such stockholder’s notice; and
- Any other information about the stockholder that must be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Section 14 of the Exchange Act and its rules and regulations.

The notice must include a written consent by each proposed nominee to being named as a nominee and to serve as a director if elected. No person will be eligible for election as a director of ours unless recommended by the Nominating and Corporate Governance Committee and nominated by our Board of Directors or nominated in accordance with the procedures set forth above. Candidates proposed by stockholders for nomination are evaluated using the same criteria as candidates initially proposed by the Nominating and Corporate Governance Committee.

We must receive the written nomination for an annual meeting not less than 90 days and not more than 120 days prior to the first anniversary of the previous year's annual meeting of stockholders, or, if no annual meeting was held the previous year or the date of the annual meeting is advanced more than 30 days before or delayed more than 60 days after the anniversary date, we must receive the written nomination not more than 120 days prior to the annual meeting and not less than the later of 90 days prior to the annual meeting or ten days following the day on which public announcement of the date of the annual meeting is first made. For a special meeting, we must receive the written nomination not less than the later of 90 days prior to the special meeting or ten days following the day on which public announcement of the date of the special meeting is first made.

The Nominating and Corporate Governance Committee expects, as minimum qualifications, that nominees to our Board of Directors (including incumbent directors) will enhance our Board of Director's management, finance and/or scientific expertise, will not have a conflict of interest and will have a high ethical standard. A director nominee's knowledge and/or experience in areas such as, but not limited to, the medical, biotechnology, or life sciences industry, equity and debt capital markets and financial accounting are likely to be considered both in relation to the individual's qualification to serve on our Board of Directors and the needs of our Board of Directors as a whole. Other characteristics, including but not limited to, the director nominee's material relationships with us, time availability, service on other boards of directors and their committees, or any other characteristics that may prove relevant at any given time as determined by the Nominating and Corporate Governance Committee shall be reviewed for purposes of determining a director nominee's qualification.

Candidates for director nominees are evaluated by the Nominating and Corporate Governance Committee in the context of the current composition of our Board of Directors, our operating requirements and the long-term interests of our stockholders. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of our Board of Directors. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews such directors' overall service to us during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. The Nominating and Corporate Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to our Board of Directors by majority vote. To date, the Nominating and Corporate Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates.

While we do not have a formal diversity policy for Board membership, we will seek to ensure that its membership consists of sufficiently diverse backgrounds, meaning a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. In considering candidates for the Board, the independent directors will consider, among other factors, diversity with respect to viewpoints, skills, experience and other demographics.

Research and Development Committee

The Research and Development Committee was established in August 2013 with the purpose of providing advice and guidance to the Board on scientific and medical matters and development. The Research and Development Committee currently consists of Dr. Sidransky, Dr. Khleif and Dr. McKearn.

Board Leadership Structure

On August 19, 2013, James P. Patton was appointed Chairman and continues to serve as Chairman. Dr. Patton's medical and scientific background, his entrepreneurial experience in healthcare, his history with our Company and his own history of innovation and strategic thinking, qualify him to serve as our Chairman. Additionally, on August 19, 2013, Daniel J. O'Connor was appointed our Chief Executive Officer and President. Mr. O'Connor's knowledge of industry standards and his experience in industry operations, and his leadership experience provides a fine compliment to Dr. Patton's scientific knowledge. This structure demonstrates to our employees, customers and stockholders that we are under strong leadership, with multiple skills and sets the tone for managing our operations. This unity of leadership promotes strategic development and execution, timely decision-making and effective management of our resources. We believe that we are well-served by this structure.

Risk Oversight

The Board has an active role in overseeing our risk management and is responsible for discussing with management and the independent auditors our major financial risk exposures, the guidelines and policies by which risk assessment and management is undertaken, and the steps management has taken to monitor and control risk exposure. The Board regularly engages in discussions of the most significant risks that we are facing and how those risks are being managed. The Board believes that its work and the work of the Chairman and the Chief Executive Officer, enables the Board to effectively oversee our risk management function.

Attn: Board of Directors

Each communication should specify the applicable addressee or addressees to be contacted as well as the general topic of the communication. We will initially receive and process communications before forwarding them to the addressee. We generally will not forward to the directors a stockholder communication that we determine to be primarily commercial in nature or relates to an improper or irrelevant topic, or that requests general information about us.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers and each person who owns more than ten percent of a registered class of our equity securities (collectively, "Reporting Persons") to file with the SEC initial reports of ownership and reports of changes in ownership of our Common Stock and our other equity securities. Reporting Persons are required by SEC regulation to furnish us with copies of all Section 16(a) forms that they file. Based solely on the Company's review of the copies of the forms received by it during the fiscal year ended October 31, 2014 and written representations that no other reports were required, the Company believes that each person who, at any time during such fiscal year, was a director, officer or beneficial owner of more than ten percent of the Company's Common Stock complied with all Section 16(a) filing requirements during such fiscal year, except: (i) Roni A. Appel, as a director of the Company, filed a late Form 4 on November 25, 2013 to report a transaction that occurred on November 18, 2013; (ii) Dr. Thomas McKearn, as a director of the Company, filed a late Form 4 on November 25, 2013 to report a transaction that occurred on November 18, 2013; (v) Daniel O'Connor, as an officer and director of the Company, filed a late Form 4 on November 12, 2013 to report a transaction that occurred on October 31, 2013; (vii) Dr. James Patton, as a director of the Company, filed a late Form 4 on November 25, 2013 to report a transaction that occurred on November 18, 2013; (viii) Robert Petit, as an officer of the Company, filed a late Form 4 on January 10, 2014 to report a transaction that occurred on January 7, 2014; and (ix) David Sidransky, as a director of the Company, filed a late Form 4 November 26, 2013 to report a transaction that occurred on November 18, 2013.

In addition, Mr. O'Connor voluntarily requested to purchase at market directly from the Company a certain amount of shares of the Company's Common Stock each month. This election resulted in \$68,750 of gross funds being utilized to purchase shares directly from the Company (21,687 gross shares, 15,950 net shares). In fiscal year 2014, Mr. O'Connor also received a bonus in the amount of \$58,167. Employment Agreements Amendments

In December, 2013, each of the Company's then executive officers requested to purchase shares of Common Stock directly from the Company at market price. To facilitate such requests, the Company amended each of the then executive officer's employment agreements so that such officers could make periodic purchases of its Common Stock at fair market value. Listed below are the annual amounts to be purchased by each executive. On June 5, 2014, the Company and each of Daniel J. O'Connor, Chief Executive Officer and President, Gregory T. Mayes, Executive Vice President, Chief Operating Officer and Secretary, Robert G. Petit, Executive Vice President and Chief Scientific Officer and Sara M. Bonstein, Senior Vice President, Chief Financial Officer (each an "Executive"), voluntarily entered into a further amendment (each, an "Amendment" and collectively, the "Amendments") to their respective Employment Agreements (each, an "Employment Agreement"). The Amendments now provide that the respective stock purchases will occur on the last business day of each calendar month and will be effected through a direct purchase from the Company at a purchase price equal to the closing price of the Common Stock on the purchase date. The Company has not filed a Registration Statement on Form S-8 (or any other registration form) to cover the shares of Common Stock issuable pursuant to the Amendments.

The annual amounts of shares of Common Stock to be purchased by the Company's executive officers, on an annualized and year-to-date basis, are as follows:

Executive Officer	ANNUALIZED	YEAR-TO-DATE			
	Annual Amount to be Purchased	Gross Purchase		Net Purchase	
	\$	\$	# of shares	\$	# of shares
Daniel J. O'Connor	\$ 81,250	\$ 68,750	21,687	\$ 50,891	15,950
David J. Mauro	\$ 15,750	\$ 606	190	\$ 527	165
Gregory T. Mayes	\$ 19,875	\$ 16,818	5,305	\$ 13,801	4,333
Robert G. Petit	\$ 24,225	\$ 20,498	6,466	\$ 16,363	5,159
Sara M. Bonstein	\$ 16,875	\$ 10,384	3,355	\$ 8,038	2,585

As to preserve the Company's cash resources, in his current Amendment, Mr. O'Connor voluntarily requested to waive and hence forego the scheduled increases in his base salary that were required under his Employment Agreement. Therefore, Mr. O'Connor did not receive a base salary increase or a salary increase for closing a licensing or other strategic transaction.

Item 13: Certain Relationships and Related Transactions, and Director Independence.

Our policy is to enter into transactions with related parties on terms that, on the whole, are no more favorable, or no less favorable, than those available from unaffiliated third parties. Based on our experience in the business sectors in which we operate and the terms of our transactions with unaffiliated third parties, we believe that all of the transactions described below met this policy standard at the time they occurred.

Thomas A. Moore

On September 26, 2013, the Company entered into a debt conversion and repayment agreement with Mr. Thomas A. Moore, a former Director of the Company and our former Chief Executive Officer, with respect to the repayment and partial conversion of amounts owed to Mr. Moore under outstanding promissory notes issued pursuant to the note purchase agreement dated September 22, 2008, as amended from time to time. The Company refers to these outstanding notes as the Moore Notes. As provided in the agreement, following the closing of the October 22, 2013 public offering: (a) the Company paid Mr. Moore \$100,000 in cash as partial repayment of the Moore Notes, (b) the Company converted one-half of the remaining balance (approximately \$162,132) using the same terms as securities being offered and sold in the October 22, 2013 offering and issued Mr. Moore 40,783 shares of our Common Stock and a five-year warrant to purchase 20,392 shares of our Common Stock at an exercise price of \$5.00 per share on October 31, 2013 and (c) within three months of the closing of the offering, the Company will pay Mr. Moore in cash the then remaining outstanding balance under the Moore Notes (approximately \$163,132). The Company paid Mr. Moore \$168,280, inclusive of additional interest expense incurred, on February 4, 2014, fully satisfying its obligations under the Moore Notes, which no longer remain outstanding.

On August 19, 2013, the Company entered into a consulting agreement with Mr. Moore pursuant to which Mr. Moore will continue to assist the Company in exchange for (i) receiving an aggregate of approximately \$350,000, paid in installments over the course of the one year consulting period, (ii) reimbursement by the Company for any costs associated with or incurred by Mr. Moore for participation in a group health plan and (iii) a grant of 37,500 RSUs that will vest quarterly over three years. Since Mr. Moore was not nominated for re-election, only 10,976 RSUs vested through his current term on the Board. The one-year consulting agreement automatically terminated on August 18, 2014.

Following Mr. Moore's termination of his engagement as a consultant as provided in the agreement, Mr. Moore was entitled to payment of any earned or accrued but unpaid compensation and, provided that Mr. Moore executes a separation agreement and general release, a one-time lump sum \$350,000 disengagement payment, subject to all applicable withholdings and deductions. As of October 27, 2014, the disengagement payment was paid in full and we have no outstanding balance under all arrangements.

Mark J. Rosenblum

In connection with the October 2011 offering, we issued \$58,823.53 of convertible promissory notes to an IRA account in the name of our former Chief Financial Officer, Mark J. Rosenblum, for a purchase price of \$50,000. On May 18, 2012, Mr. Rosenblum exchanged his convertible promissory notes and warrant for 5,490 shares of our Common Stock.

In connection with Mr. Rosenblum's resignation in March 2014, the Company and Mr. Rosenblum entered into a separation agreement effective as of March 24, 2014. Dr. Patton paid \$0.75 for each \$1.00 of principal amount of the Patton Note. The Patton Note was convertible into shares of our Common Stock at \$18.75 per share, subject to adjustment.

Additionally, Dr. Patton received a warrant to purchase that number of shares of our Common Stock equal to 50% of the number of shares of our Common Stock issuable upon conversion of the Patton Note, at an exercise price of \$10.625 per share. This warrant expires on August 2, 2017 and may be exercised on a cashless basis in certain circumstances. On June 25, 2013, Dr. Patton converted the note in full into 21,092 shares of Advaxis Inc. Common Stock.
