Item 1.01. Entry into a Material Definitive Agreement.

In November 2010, Advaxis, Inc. (the “Company”) entered into Note Purchase Agreements (the “Note Purchase Agreements”) with certain accredited investors (collectively, the “Investors”), pursuant to which the Investors acquired convertible promissory notes of the Company in the aggregate principal face amount of \$931,579, for an aggregate net purchase price of \$835,000 (the “Offering”). Notes in the aggregate principal face amount of (i) \$431,579 were issued with an original issue discount of approximately 5% and mature in two months from the date of issue (the “Two Month Notes”) and (ii) \$500,000 were issued with an original issue discount of approximately 15% and mature in nine months from the date of issue (the “Nine Month Notes”, together with the Two Month Notes, the “Notes”). Each of the Notes is convertible into shares of the Company’s common stock, \$0.001 par value (the “Common Stock”) at \$0.15 per share, all as more particularly described below and in the form of Note attached hereto as Exhibit 4.1. In connection with the purchase of the Notes, the Company issued to the Investors warrants to purchase an aggregate of 3,087,500 shares of Common Stock (the “Warrants”), each at an exercise price of \$0.17 per share, subject to adjustments upon the occurrence of certain events as more particularly described in the form of Warrant attached hereto as Exhibit 4.2. The Warrants are exercisable at any time on or before the fourth anniversary of the issue date of the Warrants. The Warrants may only be exercised for cash.

Each of the Notes may be retired sooner and may be prepaid at any time by the Company without penalty. The Notes may be converted by the Investors in whole or in part. To the extent an Investor does not elect to convert its Notes as described above, the principal amount of the Notes not so converted shall be payable in cash on the applicable maturity date.

The Notes and Warrants include a limitation on conversion or exercise, which provides that at no time will an Investor be entitled to convert any portion of the Notes or exercise any number of Warrants, that would result in the beneficial ownership by the Investor and its affiliates of more than 9.99% of the outstanding shares of Common Stock on such date.

The Company intends to use the proceeds from the Offering for among other things, (i) costs and expenses relating to the Company’s clinical trials, (ii) costs and expenses relating to the Offering, (iii) costs and expenses relating to obtaining one or more follow-on financings and (iv) general working capital purposes. The financing is intended to provide the Company with temporary liquidity to conduct its business while it seeks to raise additional capital.

In connection with the Offering, the Company paid commissions equal to approximately \$50,000 in cash and issued warrants to purchase 195,625 shares of its Common Stock on substantially the same terms as the Warrants.

The Notes and the Warrants were offered and sold to “accredited investors” (as defined in section 501(a) of Regulation D) pursuant to an exemption from the registration requirements under Section 4(2) of the Securities Act of 1933, as amended (the “Securities Act”) and Rule 506 of Regulation D promulgated thereunder. The shares to be issued upon conversion of the Notes or upon exercise of the Warrants have not been registered under the Securities Act and may not be offered or sold in the United States in the absence of an effective registration statement or exemption from the registration requirements.

The foregoing descriptions of the forms of the Note Purchase Agreements, Two Month Notes, Nine Month Notes and Warrants do not purport to be complete and are qualified in their entirety by reference to such documents, which are attached hereto as Exhibits 10.1, 4.1 and 4.2 respectively, and incorporated herein by this reference.

This Series [] Note ("**Note**") is one of the Notes issued pursuant to the terms of a Note Purchase Agreement (the "**Purchase Agreement**"), by and between the Borrower and the Holder, dated as of the Issue Date, and shall be governed by the terms of such Purchase Agreement. Unless otherwise separately defined herein, all capitalized terms used in Note shall have the same meaning as is set forth in the Purchase Agreement. The following terms shall apply to Note:

ARTICLE I
GENERAL PROVISIONS

1.1 Payment Grace Period. The Borrower shall have a FIFTEEN (15) day grace period to pay any monetary amounts due under Note.

1.2 Conversion Privileges. The conversion privileges set forth in Article II shall remain in full force and effect immediately from the date hereof and until Note is paid in full regardless of the occurrence of an Event of Default but subject to Article II. The Principal Amount of Note, or such portion thereof, shall not have previously been converted into common stock, \$0.001 par value, of the Company (the "**Common Stock**") in accordance with Article II hereof, if any, shall be payable in full on the Maturity Date.

The Borrower has outstanding, currently-secured indebtedness that is senior in right of payment with the indebtedness evidenced by this Note (the "**Senior Indebtedness**") and the Borrower is permitted in the future to issue and create indebtedness and security interests of any kind, including without limitation, indebtedness that is senior to or pari passu with the Company's obligations under Note. Any such future senior indebtedness shall be deemed to be part of the Senior Indebtedness as defined above. The Holder expressly acknowledges that the indebtedness represented by Note is expressly subordinate to the Senior Indebtedness and that no payment hereunder shall be made to the Holder until the repayment in full or conversion of the Senior Indebtedness.

1.5 Interest. There shall be no periodic payments of interest on this Note.

ARTICLE II
CONVERSION RIGHTS

The Holder shall have the right to convert the Principal Amount of this Note into shares of the Borrower's Common Stock, \$.001 par value per share ("**Common Stock**") as set forth below.

2.1 Conversion into the Borrower's Common Stock.

(a) Conversion. The Holder shall have the option, but shall not be required, to convert all or a portion of the Note into that number of fully paid and non-assessable shares of Common Stock priced at \$.15.

(b) Mechanics of Conversion. As a condition to effecting the conversion set forth in Sections 2.1(a) above, the Holder shall properly complete and deliver to the Company a Notice of Conversion, a form of which is annexed hereto as Exhibit A (the "**Notice of Conversion**"), which notice must be received by the Company at least one (1) business day prior to the Maturity Date. Upon timely delivery to the Borrower of the Notice of Conversion, the Borrower shall issue and deliver to the Holder within three (3) business days after the Maturity Date (such third day being the "**Delivery Date**") that number of shares of Common Stock for the portion of the Note converted in accordance herewith.

(c) Adjustment. The number and kind of shares or other securities to be issued upon conversion determined pursuant to Section 2.1(a), shall be subject to adjustment from time to time upon the happening of certain events while this conversion right remains outstanding, as follows:

A. Merger, Sale of Assets, etc. If the Borrower, at any time, shall consolidate with, merge into or sell or convey all or substantially all its assets to any other corporation, Note, as to the unpaid principal portion thereof and accrued interest thereon, shall thereafter be deemed to evidence the right to purchase such number and kind of shares or other securities and property as would have been issuable or distributable on account of such consolidation, merger, sale or conveyance, upon or with respect to the securities subject to the conversion or purchase right immediately prior to such consolidation, merger, sale or conveyance. The foregoing provision shall similarly apply to successive transactions of a similar nature by any such successor or purchaser. Without limiting the generality of the foregoing, the anti-dilution provisions of this Section shall apply to such securities of such successor or purchaser after any such consolidation, merger, sale or conveyance.

B. Reclassification, etc. If the Borrower at any time shall, by reclassification or otherwise, change the Common Stock into the same or a different number of securities of any class or classes that may be issued or outstanding, Note, as to the unpaid principal portion thereof and accrued interest thereon, shall thereafter be deemed to evidence the right to purchase an adjusted number of such securities and kind of securities as would have been issuable as the result of such change with respect to the Common Stock immediately prior to such reclassification or other change.

(d) Notice of Adjustment. Upon the occurrence of an event specified in Section 2.1(c), the Borrower shall promptly mail to the Holder a notice setting forth the adjustment and setting forth a statement of the facts requiring such adjustment.

(e) Reservation of Shares. At such time when necessary, Borrower:

A. will reserve from its authorized and unissued Common Stock a sufficient amount of Common Stock to permit the full conversion of Note;

B. represents that upon issuance, such shares will be duly and validly issued, fully paid and non-assessable

C. agrees that its issuance of Note shall constitute full authority to its officers, agents, and transfer agents who are charged with the duty of executing and issuing stock certificates to execute and issue the necessary certificates for shares of Common Stock upon the conversion of Note.

2.2 Method of Conversion. Note may be converted by the Holder, in whole or in part, as described in Section 2.1(a) hereof and the Purchase Agreement. Upon partial conversion of Note, a new Note containing the same date and provisions of Note shall, at the request of the Holder, be issued by the Borrower to the Holder for the principal balance of Note and interest which shall not have been converted or paid.

2.3 Limitations on Conversion. Notwithstanding anything to the contrary contained in this Note, this Note shall not be convertible by the Holder hereof, and the Company shall not effect any conversion of this Note or otherwise issue any shares of Common Stock pursuant hereto, to the extent (but only to the extent) that the Holder or any of its affiliates would beneficially own in excess of 9.99% (the “**Maximum Percentage**”) of the Common Stock. To the extent the above limitation applies, the determination of whether this Note shall be convertible (vis-à-vis other convertible, exercisable or exchangeable securities owned by the Holder) shall, subject to such Maximum Percentage limitation, be determined on the basis of the first submission to the Company for conversion, exercise or exchange (as the case may be). No prior inability to convert this Note, or to issue shares of Common Stock, pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of convertibility. For purposes of this paragraph, beneficial ownership and all determinations and calculations (including, without limitation, with respect to calculations of percentage ownership) shall be determined in accordance with Section 13(d) of the Securities Act of 1934, as amended, and the rules and regulations promulgated thereunder. The provisions of this paragraph shall be implemented in a manner otherwise than in strict conformity with the terms of this paragraph to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Maximum Percentage beneficial ownership limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such Maximum Percentage limitation. The limitations contained in this paragraph shall apply to a successor Holder of this Note. The holders of Common Stock shall be third party beneficiaries of this paragraph and the Company may not waive this paragraph without the consent of holders of a majority of its Common Stock. For any reason at any time, upon the written or oral request of the Holder, the Company shall within two (2) business days confirm orally to the Holder and, if requested, in writing to the Holder the number of shares of Common Stock then outstanding, including by virtue of any prior conversion or exercise of convertible or exercisable securities into Common Stock, including, without limitation, pursuant to this Note or securities issued pursuant to the Purchase Agreement. By written notice to the Company, any Holder may increase or decrease the Maximum Percentage to any other percentage not in excess of 9.99% specified in such notice; provided that (i) any such increase will not be effective until the 61st day after such notice is delivered to the Company, and (ii) any such increase or decrease will apply only to the Holder sending such notice and not to any other holder of Notes (as defined in the Purchase Agreement).

ARTICLE III
EVENT OF DEFAULT

The occurrence of any of the following events of default (“*Event of Default*”) shall, at the option of the Holder hereof, make all sums of principal then remaining unpaid hereon and all other amounts payable hereunder immediately due and payable, upon demand, all of which hereby are expressly waived, except as set forth below:

3.7 Non-Payment. A default by the Borrower under any one or more obligations in an aggregate monetary amount in excess of \$1,000,000 for more than TWENTY (20) business days after notice to the Borrower from the Holder, unless the Borrower is contesting the validity of such obligation in good faith and has segregated cash funds equal to not less than one-half of the contested amount.

The original Warrant is not required to be surrendered to the Company until it has been fully exercised.

1.3. Partial Exercise. This Warrant may be exercised in part (but not for a fractional share) by delivery of a Subscription Form in the manner and at the place provided in subsection 1.2 except that the amount payable by the Holder on such partial exercise shall be the amount obtained by multiplying (a) the number of whole shares of Common Stock designated by the Holder in the Subscription Form by (b) the Exercise Price then in effect. On any such partial exercise, provided the Holder has surrendered the original Warrant, the Company, at its expense, will forthwith issue and deliver to or upon the order of the Holder hereof a new Warrant of like tenor, in the name of the Holder hereof or as such Holder (upon payment by such Holder of any applicable transfer taxes) may request, the whole number of shares of Common Stock for which such Warrant may still be exercised for the balance of.

1.4. Fair Market Value. Fair Market Value of a share of Common Stock as of a particular date (the “**Determination Date**”) shall mean:

(a) If the Company’s Common Stock is listed on a national securities exchange, then the average of the closing or last sale prices, respectively, reported for the five trading days immediately preceding but not including the Determination Date;

(b) If the Company’s Common Stock is not listed on a national securities exchange but is quoted in the over-the-counter market or the “pink-sheets,” then the average of the closing bid prices reported for the five trading days immediately preceding but not including the Determination Date;

(c) Except as provided in clause (d) below and Section 3.1, if the Company’s Common Stock is not publicly traded, then as the Holder and the Company agree, or in the absence of such an agreement, by arbitration in accordance with the rules then standing of the American Arbitration Association, before a single arbitrator to be chosen from a panel of persons qualified by education and training to pass on the matter to be decided; or

(d) If the Determination Date is the date of a liquidation, dissolution or winding up, or any event deemed to be a liquidation, dissolution or winding up pursuant to the Company’s certificate of incorporation (as amended and/or restated from time to time, the “**Charter**”), then all amounts to be payable per share to holders of the Common Stock pursuant to the Charter in the event of such liquidation, dissolution or winding up, plus all other amounts to be payable per share in respect of the Common Stock in liquidation under the Charter, assuming for the purposes of this clause (d) that all of the shares of Common Stock then issuable upon exercise of all of the Warrants are outstanding at the Determination Date.

1.5. Company Acknowledgment. The Company will, at the time of the exercise of the Warrant, upon the request of the Holder hereof, acknowledge in writing its continuing obligation to afford to such Holder any rights to which such Holder shall continue to be entitled after such exercise in accordance with the provisions of this Warrant. If the Holder shall fail to make any such request, such failure shall not affect the continuing obligation of the Company to afford to such Holder any such rights.

1.6. Trustee for Warrant Holders. In the event that a bank or trust company shall have been appointed as trustee for the Holder of the Warrants pursuant to Subsection 3.2, such bank or trust company shall have all the powers and duties of a warrant agent (as hereinafter described) and shall accept, in its own name for the account of the Company or such successor person as may be entitled thereto, all amounts otherwise payable to the Company or such successor, as the case may be, on exercise of this Warrant pursuant to this Section 1.

1.7. Delivery of Stock Certificates, etc. on Exercise. The Company agrees that the shares of Common Stock purchased upon exercise of this Warrant shall be deemed to be issued to the Holder hereof as the record owner of such shares as of the close of business on the date on which delivery of a Subscription Form shall have occurred and payment made for such shares as aforesaid. As soon as practicable after the exercise of this Warrant in whole or in part, the Company at its expense (including the payment by it of any applicable issue taxes) will cause to be issued in the name of and delivered to the Holder hereof, or as such Holder (upon payment by such Holder of any applicable transfer taxes) may direct in compliance with applicable securities laws, a certificate or certificates for the number of duly and validly issued, fully paid and non-assessable shares of Common Stock (or Other Securities) to which such Holder shall be entitled on such exercise, plus, in lieu of any fractional share to which such Holder would otherwise be entitled, cash equal to such fraction multiplied by the then Fair Market Value of one full share of Common Stock, together with any other stock or other securities and property (including cash, where applicable) to which such Holder is entitled upon such exercise pursuant to Section 1 or otherwise.

2. Exercise.

(a) Payment upon exercise may be made at the option of the Holder either (i) in cash, wire transfer or by certified or official bank check payable to the order of the Company equal to the applicable aggregate Exercise Price, (ii) by delivery of Common Stock issuable upon exercise of the Warrants in accordance with Section (b) below or (iii) by a combination of any of the foregoing methods, for the number of shares of Common Stock specified in such form (as such exercise number shall be adjusted to reflect any adjustment in the total number of shares of Common Stock issuable to the Holder per the terms of this Warrant) and the Holder shall thereupon be entitled to receive the number of duly authorized, validly issued, fully-paid and non-assessable shares of Common Stock (or Other Securities) determined as provided herein.

(b) The Holder may employ the exercise at the \$.17 per share basis feature at any time.

For purposes of Rule 144 promulgated under the Securities Act of 1933, as amended, it is intended, understood and acknowledged that the Warrant Shares issued in said for cash exercise transaction shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Purchase Agreement.

3. Adjustment for Reorganization, Consolidation, Merger, etc.

3.1. Fundamental Transaction. If, at any time while this Warrant is outstanding,

(A) the Company effects any merger or consolidation of the Company with or into another entity, (B) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (C) any tender offer or exchange offer (whether by the Company or another entity) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, or (D) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (each, a “**Fundamental Transaction**”), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the “**Alternate Consideration**”) receivable upon or as a result of such merger, consolidation or disposition of assets by a Holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such event. For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a new warrant consistent with the foregoing provisions and evidencing the Holder’s right to exercise such warrant into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 3.1 and insuring that this Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction. Notwithstanding anything to the contrary in this Warrant, in the event of a Fundamental Transaction that is (1) an all cash transaction, (2) a “Rule 13e-3 transaction” as defined in Rule 13e-3 under the Securities Exchange Act of 1934 (as amended, the “**Exchange Act**”) or (3) a Fundamental Transaction involving a person or entity not traded on a national securities exchange, the Company or any successor entity shall pay at the Holder’s option, exercisable at any time concurrently with or within 30 days after the consummation of the Fundamental Transaction, an amount of cash equal to the value of this Warrant as determined in accordance with the Black Scholes Option Pricing Model obtained from the “OV” function on Bloomberg L.P. using (i) a price per share of Common Stock equal to the volume weighted average price of the Common Stock for the trading day immediately preceding the date of consummation of the applicable Fundamental Transaction, (ii) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the remaining term of this Warrant as of the date of consummation of the applicable Fundamental Transaction and (iii) an expected volatility equal to the 100 day volatility obtained from the “HVT” function on Bloomberg L.P. determined as of the trading day immediately following the public announcement of the applicable Fundamental Transaction.

3.2. Dissolution. In the event of any dissolution of the Company following the transfer of all or substantially all of its properties or assets, the Company, prior to such dissolution, shall at its expense deliver or cause to be delivered the stock and other securities and property (including cash, where applicable) receivable by the Holder of the Warrants after the effective date of such dissolution pursuant to this Section 3 to a bank or trust company (a “**Trustee**”) having its principal office in New York, NY, as trustee for the Holder of the Warrants. Such property shall be delivered only upon payment of the Warrant exercise price.

3.3. Continuation of Terms. Upon any reorganization, consolidation, merger or transfer (and any dissolution following any transfer) referred to in this Section 3, this Warrant shall continue in full force and effect and the terms hereof shall be applicable to the Other Securities and property receivable on the exercise of this Warrant after the consummation of such reorganization, consolidation or merger or the effective date of dissolution following any such transfer, as the case may be, and shall be binding upon the issuer of any Other Securities, including, in the case of any such transfer, the person acquiring all or substantially all of the properties or assets of the Company, whether or not such person shall have expressly assumed the terms of this Warrant as provided in Section 4. In the event this Warrant does not continue in full force and effect after the consummation of the transaction described in this Section 3, then only in such event will the Company’s securities and property (including cash, where applicable) receivable by the Holder of the Warrants be delivered to the Trustee as contemplated by Section 3.2.

4. Reservation of Stock, etc. Issuable on Exercise of Warrant; Financial Statements. The Company will at all times reserve and keep available, solely for issuance and delivery on the exercise of the Warrants, sufficient shares of Common Stock (or Other Securities) from time to time issuable on the exercise of the Warrant. This Warrant entitles the Holder hereof to receive copies of all financial and other information distributed or required to be distributed to the holders of the Company’s Common Stock.

5. Assignment; Exchange of Warrant. Subject to compliance with applicable securities laws, this Warrant, and the rights evidenced hereby, may be transferred by any registered Holder hereof (a “**Transferor**”). On the surrender for exchange of this Warrant, with the Transferor’s endorsement in the form of Exhibit B attached hereto (the “**Transferor Endorsement Form**”) and together with an opinion of counsel reasonably satisfactory to the Company that the transfer of this Warrant will be in compliance with applicable securities laws, the Company will issue and deliver to or on the order of the Transferor thereof a new Warrant or Warrants of like tenor, in the name of the Transferor and/or the transferee(s) specified in such Transferor Endorsement Form (each a “**Transferee**”), calling in the aggregate on the face or faces thereof for the number of shares of Common Stock called for on the face or faces of the Warrant so surrendered by the Transferor.

6. Replacement of Warrant. On receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant and, in the case of any such loss, theft or destruction of this Warrant, on delivery of an indemnity agreement or security reasonably satisfactory in form and amount to the Company or, in the case of any such mutilation, on surrender and cancellation of this Warrant, the Company at its expense, twice only, will execute and deliver, in lieu thereof, a new Warrant of like tenor.

7. Limitations on Exercise. Notwithstanding anything to the contrary contained in this Warrant, this Warrant shall not be exercisable by the Holder hereof to the extent (but only to the extent) that the Holder or any of its affiliates would beneficially own in excess of 9.99% (the “**Maximum Percentage**”) of the Common Stock. To the extent the above limitation applies, the determination of whether this Warrant shall be exercisable (vis-à-vis other convertible, exercisable or exchangeable securities owned by the Holder) and of which such securities shall be exercisable (as among all such securities owned by the Holder) shall, subject to such Maximum Percentage limitation, be determined on the basis of the first submission to the Company for conversion, exercise or exchange (as the case may be). No prior inability to exercise this Warrant pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of exercisability. For the purposes of this paragraph, beneficial ownership and all determinations and calculations (including, without limitation, with respect to calculations of percentage ownership) shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. The provisions of this paragraph shall be implemented in a manner otherwise than in strict conformity with the terms of this paragraph to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Maximum Percentage beneficial ownership limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such Maximum Percentage limitation. The limitations contained in this paragraph shall apply to a successor Holder of this Warrant. The holders of Common Stock shall be third party beneficiaries of this paragraph and the Company may not waive this paragraph without the consent of holders of a majority of its Common Stock. For any reason at any time, upon the written or oral request of the Holder, the Company shall within two (2) business days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding, including by virtue of any prior conversion or exercise of convertible or exercisable securities into Common Stock, including, without limitation, pursuant to this Warrant or securities issued pursuant to the Securities Purchase Agreement. By written notice to the Company, any Holder may increase or decrease the Maximum Percentage to any other percentage not in excess of 9.99% specified in such notice; provided that (i) any such increase will not be effective until the 61st day after such notice is delivered to the Company, and (ii) any such increase or decrease will apply only to the Holder sending such notice and not to any other holder of Warrants.

8. Warrant Agent. The Company may, by written notice to the Holder of the Warrant, appoint an agent (a “**Warrant Agent**”) for the purpose of issuing Common Stock or Other Securities on the exercise of this Warrant pursuant to Section 1, exchanging this Warrant pursuant to Section 7, and replacing this Warrant pursuant to Section 8, or any of the foregoing, and thereafter any such issuance, exchange or replacement, as the case may be, shall be made at such office by such Warrant Agent.

9. Transfer on the Company’s Books. Until this Warrant is transferred on the books of the Company, the Company may treat the registered Holder hereof as the absolute owner hereof for all purposes, notwithstanding any notice to the contrary.

10. Notices. All notices, demands, requests, consents, approvals, and other communications required or permitted hereunder shall be in writing and, unless otherwise specified herein, shall be (i) personally served, (ii) deposited in the mail, registered or certified, return receipt requested, postage prepaid, (iii) delivered by reputable air courier service with charges prepaid, or (iv) transmitted by hand delivery, telegram, or facsimile, addressed as set forth below or to such other address as such party shall have specified most recently by written notice. Any notice or other communication required or permitted to be given hereunder shall be deemed effective (a) upon hand delivery or delivery by facsimile, with accurate confirmation generated by the transmitting facsimile machine, at the address or number designated below (if delivered on a business day during normal business hours where such notice is to be received), or the first business day following such delivery (if delivered other than on a business day during normal business hours where such notice is to be received) or (b) on the second business day following the date of mailing by express courier service, fully prepaid, addressed to such address, or upon actual receipt of such mailing, whichever shall first occur. The addresses for such communications shall be as set forth in the Purchase Agreement or such other address as a party designates to the other party in writing.

11. Law Governing This Warrant. This Warrant shall be governed by and construed in accordance with the laws of the State of New York without regard to principles of conflicts of laws. Any action brought by either party against the other concerning the transactions contemplated by this Warrant shall be brought only in the state courts of New York or in the federal courts located in the state and county of New York. The parties to this Warrant hereby irrevocably waive any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon forum non-conveniens. The Company and Holder waive trial by jury. In the event that any provision of this Warrant or any other agreement delivered in connection herewith is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform to such statute or rule of law. Any such provision, which may prove invalid or unenforceable under any law, shall not affect the validity or enforceability of any other provision of any agreement. Each party hereby irrevocably waives personal service of process and consents to process being served in any suit, action or proceeding in connection with this Warrant by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law.

The Company is in compliance with any and all applicable requirements of the Sarbanes-Oxley Act of 2002 that are effective as of the date hereof, and any and all applicable rules and regulations promulgated by the Securities and Exchange Commission thereunder that are effective as of the date hereof.

5.12 Absence of Litigation. There is no action, suit, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of the Company, threatened against or affecting the Company, the Common Stock or any of the Company's officers or directors in their capacities as such.

6. Representations and Warranties of the Investor. The Investor hereby represents, warrants and covenants that:

6.1 Authorization. The Investor has full power and authority to enter into this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby and has taken all action necessary to authorize the execution and delivery of this Agreement, the performance of its obligations hereunder and the consummation of the transactions contemplated hereby.

6.2 No Public Sale or Distribution. The Investor is (i) acquiring the Note and the Warrants and (ii) upon conversion of the Note and exercise of the Warrants (as defined in the Warrants) will acquire the Underlying Securities for its own account, not as a nominee or agent, and not with a view towards, or for resale in connection with, the public sale or distribution of any part thereof, except pursuant to sales registered or exempted under the 1933 Act. The Investor is acquiring the Securities hereunder in the ordinary course of its business. The Investor does not presently have any contract, agreement, undertaking, arrangement or understanding, directly or indirectly, with any individual, a limited liability company, a partnership, a joint venture, a corporation, a trust, an unincorporated organization and a government or any department or agency thereof (a "**Person**") to sell, transfer, pledge, assign or otherwise distribute any of the Securities.

6.3 Accredited Investor Status; Investment Experience. The Investor is an "accredited investor" as that term is defined in Rule 501(a) of Regulation D. The Investor can bear the economic risk of its investment in the Securities, and has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of an investment in the Securities.

6.4 Reliance on Exemptions. The Investor understands that the Securities are being offered and sold to it in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and the Investor's compliance with, the representations, warranties, agreements, acknowledgments and understandings of the Investor set forth herein in order to determine the availability of such exemptions and the eligibility of the Investor to acquire the Securities.

6.5 Information. The Investor and its advisors, if any, have been furnished with all materials relating to the business, finances and operations of the Company and materials relating to the offer and sale of the Securities which have been requested by the Investor. The Investor and its advisors, if any, have been afforded the opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted by the Investor or its advisors, if any, or its representatives shall modify, amend or affect the Investor's right to rely on the Company's representations and warranties contained herein. The Investor understands that its investment in the Securities involves a high degree of risk. The Investor has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Securities. The Investor is relying solely on its own accounting, legal and tax advisors, and not on any statements of the Company or any of its agents or representatives, for such accounting, legal and tax advice with respect to its acquisition of the Securities and the transactions contemplated by this Agreement.

6.6 No Governmental Review. The Investor understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Securities or the fairness or suitability of the investment in the Securities nor have such authorities passed upon or endorsed the merits of the offering of the Securities.

6.7 Transfer or Resale. The Investor understands that: (i) the Securities have not been and are not being registered under the 1933 Act or any state securities or “blue sky” laws, the Securities constitute “restricted securities” as such term is defined in Rule 144(a)(3) under the 1933 Act, and the Securities may not be offered for sale, sold, transferred, assigned, pledged or otherwise distributed unless (A) subsequently registered thereunder, (B) the Investor shall have delivered to the Company an opinion of counsel, in a form generally acceptable to the Company’s legal counsel, to the effect that such Securities to be sold, assigned or transferred may be sold, assigned or transferred pursuant to an exemption from such registration, or (C) the Investor provides the Company and its legal counsel with reasonable assurance that such Securities can be sold, assigned or transferred pursuant to Rule 144 or Rule 144A promulgated under the 1933 Act (or a successor rule thereto) (collectively, “**Rule 144**”); (ii) any sale of the Securities made in reliance on Rule 144 may be made only in accordance with the terms of Rule 144 and further, if Rule 144 is not applicable, any resale of the Securities under circumstances in which the seller (or the Person through whom the sale is made) may be deemed to be an underwriter (as that term is defined in the 1933 Act) may require compliance with some other exemption under the 1933 Act or the rules and regulations of the SEC thereunder; and (iii) neither the Company nor any other Person is under any obligation to register the Securities under the 1933 Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder.

6.8 Legends. The Investor understands that the certificates or other instruments representing the Note and the Warrants and, the stock certificates representing the Underlying Securities, except as set forth below, shall bear any legends as required by applicable state securities or “blue sky” laws in addition to a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of such stock certificates):

NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE [CONVERTIBLE] [EXERCISABLE] HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL, IN A FORM GENERALLY ACCEPTABLE TO THE COMPANY’S LEGAL COUNSEL, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT.

The Company shall use its reasonable best efforts to cause its transfer agent to remove the legend set forth above and to issue a certificate without such legend to the holder of the Securities upon which it is stamped, or to issue to such holder by electronic delivery at the applicable balance account at the Depository Trust Company, unless otherwise required by state securities or “blue sky” laws, at such time as (i) such Securities are registered for resale under the 1933 Act, (ii) in connection with a sale, assignment or other transfer, such holder provides the Company with an opinion of counsel, in a form generally acceptable to the Company’s legal counsel, to the effect that such sale, assignment or transfer of the Securities may be made without registration under the 1933 Act, or (iii) such holder provides the Company and its legal counsel with reasonable assurance in writing that the Securities can be sold, assigned or transferred pursuant to Rule 144 or Rule 144A.

6.9 Validity; Enforcement; No Conflicts. This Agreement and each Transaction Document to which the Investor is a party have been duly and validly authorized, executed and delivered on behalf of the Investor and shall constitute the legal, valid and binding obligations of the Investor enforceable against the Investor in accordance with their respective terms, except as such enforceability may be limited by general principles of equity or to applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors’ rights and remedies. The execution, delivery and performance by the Investor of this Agreement and each Transaction Document to which the Investor is a party and the consummation by the Investor of the transactions contemplated hereby and thereby will not (i) result in a violation of the organizational documents of the Investor or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Investor is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities or “blue sky” laws) applicable to the Investor, except in the case of clause (ii) above, for such conflicts, defaults or rights which would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of the Investor to perform its obligations hereunder.

6.11 Company Has Senior Indebtedness Outstanding and is Permitted to Issue Other Indebtedness. The Investor acknowledges that the Company has outstanding currently secured indebtedness that is senior in right of payment with the indebtedness evidenced by the Note and the Company is permitted in the future to issue and create indebtedness and security interests of any kind, including without limitation, indebtedness that is senior to or pari passu with the Company’s obligations under the Note. The Investor expressly acknowledges that its Note is subordinated to the existing and future indebtedness of the Company.

Moore for repayments of the other amounts owed to him; evidenced in Advaxis' Fiscal Third Quarter dated July 31, 2010.
